Female full-time undergraduates	2,217	54%
Total full-time undergraduates	4,083	100%

Table 1 – Athletics Participation

This table lists the number of participants by gender for each varsity team. According to the published federal regulations governing EADA reporting, a participant is defined as a student athlete who, as of the day of a varsity team’s first scheduled contest –

- a. is listed by the institution on the varsity team’s roster; or
- b. receives athletically related student aid; or
- c. practices with the varsity team and receives coaching from one or more varsity coaches

Any student athlete who satisfies one or more of these criteria is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student withheld from competition to preserve eligibility or for academic, medical or other reasons.

Table 2A – Head Coaches Assignments Men’s Teams

This table lists the number of head coaches assigned to each men’s team; whether that coach is a male or female; whether that coach is assigned to the team on a full-time or part-time basis, and whether that coach is a full-time employee of the institution. The table includes pain coaches, volunteer coaches, interns, and graduate assistant coaches. For purposes of this report, the term “full-time coaching duties” means the individual’s employment responsibilities at the institution are exclusively those as coach of that team, and only that team, and are consistent with the institutions definition of a full-time employee of the institution or part-time employee of the institution. For purposes of this report, the term “full-time institution employee” means the individual’s overall employment responsibilities at the institution are consistent with the institution’s definition of a full-time employee although that individual may have responsibilities other than as coach of that team, either within the athletic department or another department of the institution.
