

CCBC STUDENT LIFE STUDENT LEADERSHIP PROGRAMS APPLICATION

The purpose of the Student Life Office at the Community College of Baltimore County is to provide a comprehensive program that provides cultural, recreational, health and wellness, and an intellectual environment for all. The Student Life Ambassador Program, First-Year Experience (FYE) Mentor Program, and Student Government Association (SGA) offer opportunities for involvement and leadership within the office.

What is an Ambassador?

Student Life Ambassadors are a group of student leaders who provide service to CCBC and the community while gaining leadership experience. Depending on your interest, students can serve in one or several different roles. In any position, a Student Life Ambassador's goal is to help the event or experience be successful, whether that is giving students advice in building their class schedules, inviting students to get involved, giving campus tours to prospective students, or sharing personal stories about their experiences at CCBC.

Roles of an Ambassador

An Ambassador provides service in a variety of ways, serving between 50-150 hours throughout the semester. Some jobs include:

- Peak Registration Assistant: Help new students navigate the registration process
- Student Life Blogger: Share your CCBC experience online by blogging on the CCBC website
- Student Representative: Assist at college and community programs such as commencement, conferences, and receptions

What is an FYE Mentor?

Roles of an FYE Mentor

- Serve as a mentor for first-year students, working between 60-150 hours during the semester
- Help first-year students feel comfortable by being aware of and responsive to their needs
- Participate in and lead breakout sessions during CCBC's New Student Orientation

- Attend weekly office hours to allow any student the opportunity to seek one-on-one support
- Sponsor first-year programs and support pre-planned events sponsored by the FYE program
- Participate in training about educational requirements, college policies, and support services

What is a Student Government Association executive board member?

There is a Student Government Association on each of the three main campuses. The executive board members advocate for students regarding policies and regulations that affect students' collegiate experience.

Roles of a Student Government Association executive board member

- Oversee and support the development of student organizations funded by the Student Government Association
- Attend all Student Life sponsored retreats and leadership events (ex: ConnectFest, Spring Leadership Retreat, Advocacy Day, Town Hall Meetings and Student Life Awards Banquet)
- Preside over and record minutes for all meetings of the SGA
- Responsible for SGA press releases and general publicity
- Represent the students' interest in College Senate meetings (if appointed)
- Recruit additional board members as needed
