What has helped you succeed so far at CCBC?

- A set of goals for every semester
- Asking questions and learning more about campus life
- Taking risks and stepping out of my comfort zone with the help of my peers

Why did you decide to become an FYE Mentor?

I know how it feels to feel alone with no one to talk to or go to for help, but when I did CCBC's FYE Summer Bridge Program, I received so much help and encouragement to help me set the foundation of my college career, and I am forever grateful for my experience. I would like to do the same for others and help them with setting the foundation for their college careers.
